Hisco Awarded Top Distributor for Seika Machinery's McDry Line

HOUSTON—April 25, 2018— Hisco Inc., an employee-owned, specialty distribution company, has won Top Distributor for McDry Sales in 2017 by Seika Machinery Inc. (SMI). The McDry line of low humidity storage cabinets protects sensitive surface mount devices. The award was presented February 27 at IPC APEX EXPO 2018 in San Diego.

“Our elite sales teams keep the ball rolling,” said William Bland, Hisco’s vice president of North American sales. “We’re thankful for our partnership with Seika Machinery and the many opportunities to present actionable solutions.”

For more than 45 years, Hisco has delivered value to customers through quality products, process solutions and local inventory. Today, the international branch network includes 38 stocking locations in three countries: the United States, HiscoMex in Mexico and HiscoCan in Canada. Hisco’s Precision Converting facilities provide value-added fabrication, and its Adhesive Materials Group provides an array of custom repackaging. Hisco also offers vendor-managed inventory programs and specialized warehousing for chemical management, logistics services and cold storage. Hisco’s exclusive Documented Cost Savings (DCS) program has saved customers more than \$135 million to date. Its supplier base includes manufacturing giants Henkel, Alpha and 3M, to name a few. For more information, visit www.hisco.com.

Seika Machinery Inc. is a subsidiary of Seika Corporation, Japan and member of the Mitsubishi Global Group. SMI provides electronics manufacturers with advanced machinery, superior materials and engineering services.
