## North America's Premier Distributor of Mission-Critical Materials

### Industries

- Aerospace, Military & Composites
- Alternative Energy (Solar & Wind)
- Appliances & White Goods
- Construction (Architectural & Structural Cladding)
- Electronic Assembly
- Electrical
- Fiberoptics
- General Industry
- Lighting & LEDs
- Maintenance Repair Operations (MRO)
- Mold Making (Industrial & Entertainment)
- Medical Device
- Oil & Gas
- Transportation (Auto, RV, Trailers & Marine)

### Products

- Acrylics
- Aerosols
- Anaerobics
- Cyanoacrylates
- Encapsulants
- Epoxies
- Hot Melts
- Low-VOC Adhesives
- Retaining Compounds
- Sealants
- Silicones
- Spray Adhesives
- Structural Adhesives
- Thread Lockers
- Urethanes
- UV Curing Adhesives
- Visible Light Curing
- Water-Based Adhesives

### Technologies and Applications

- Die Attach Films & Adhesives
- Underfills
- Encapsulants
- Electronic Molding Compounds
- Liquid & Film Assembly Adhesives
- Potting & Encapsulation Compounds
- Inks & Coatings
- PCB Protection
- Conformal Coatings
- Thermally Conductive Adhesives
- Electrically Conductive Adhesives
- UV/Visible Light Cure Adhesives
- Pre-Mixed and Frozen Adhesives
- Mold Making Materials

### Dispensing and Curing Equipment

- Pneumatic Syringe & Cartridge Dispensing
- Two-Component Meter-Mix Dispensing
- Automated Dispensing Equipment
- Hot Melt Dispensers
- Pail, Drum & Tote Pumps
- Halogen and LED Light Curing Equipment

## Adhesives and Polymer Products From Trusted Brands

Our supplier base includes world-class organizations and product brands such as 3M™, ACCRAbond™, Ashby Cross, BJB Enterprises, Bluestar Silicones, Elantas PDG, EMI UV, Henkel (LOCTITE®, BONDERITE®, TECHNOMELT®), Henkel Electronics, Industrial Polymers, ITW Insulcast, Lord Corporation, SCA Schucker, Wacker Silicones, and many more industry leaders and “Best in Class” products.

## Technical Support

With a team of 150 outside and inside sales representatives, Hisco provides technical support and engineering expertise for your most demanding applications. Our applications engineers and account managers are trained to assist customers with polymer & adhesives applications. This includes everything from dispensing and curing equipment, material selection and process development.

## Documented Cost Savings

Hisco understands the significance of reducing total cost through effective supply chain solutions. In a 13-year period, we helped our customers realize cost savings and/or cost avoidances of more than \$100 million through our automated documented cost savings program. Not only do we create value, we document it. We'll supply a cost reduction form for your authorization that shows both direct and indirect benefits.

## Local Inventory

The international Hisco branch network includes 35 stocking locations -25 in the United States, Puerto Rico, the Dominican Republic and Costa Rica, 10 operated by the HiscoMex subsidiary in Mexico and one operated by HiscoCan in Canada. Two converting facilities provide value-added fabrication and custom packaging. Local inventory allows Hisco to respond rapidly to standard, JIT, and emergency needs. Many of our branches have the facilities and equipment as well as the quality control processes to handle and store flammable, hazardous and temperature-controlled adhesives and polymers.

## Registrations and Certifications

Hisco recognizes the need to support customer's business requirements including ITAR Regulations, Product Certifications, Quality Systems, Temperature Storage Requirements, Shelf Life and HazMat Compliance. Hisco can support customer design and manufacturing with the highest level of quality and attention to detail.

Our expertise is backed by quality certifications to supply mission-critical materials used by all industry segments. 19 of our locations are ISO 9001:2008 certified, four of our distribution locations are AS 9120 certified and one of our Precision Converting facilities is AS 9100 certified, with more certifications in progress.

Hisco is proud to be a 100% employee-owned company

## Custom Adhesive Packaging Services

The adhesive packaging division of Hisco offers unique custom packaging solutions to meet precise specifications. We package adhesives, sealants and resins into economical containers that are easy to store.

This custom packaging solution can supply user-friendly dispense systems that help eliminate waste, increase production yields, save space, and lower costs of every application.

## Manufacturing Services

**Precision Converting**, a Division of Hisco®, specializes in custom converting flexible materials. Products can be manufactured in a cleanroom environment, if needed.

From tapes and foams to plastics and adhesives, our services include:

- Die-Cutting
- Kiss-Cutting
- Rapid Prototyping
- Laminating
- Island Placement
- Specialty Converting

Our application engineers provide design solutions and technical support for flexible films, foams, and foils used in applications for bonding, masking, insulating and thermal management.

**Precision Converting** has manufacturing facilities in the U.S. to ensure on-time delivery and *Fast, Friendly Service*. From prototype to production to finished product, Precision Converting has the experience and technologies to create a complete custom converting solution for you.

## Supply Chain Solutions

### Vendor Managed Inventory

Hisco offers a variety of inventory management solutions with the latest tools and technologies. Our Vendor Management Inventory (VMI) solutions are designed to be customized to meet each customer's specific requirements. Our services can be as basic as manual replenishment or as sophisticated fully automated tool rooms and remote vending systems. We can help you reduce consumption by tracking material more efficiently and automating your procurement cycle. We can help you get a handle on your inventory expenses to avoid costly line-down situations.

#### Our solutions include:

- Decrease material consumption, reduce waste, and deter theft
- Trim inventory carrying costs
- Lock down expired inventory and reduce obsolete inventory
- Eliminate stock-outs and overnight replenishing shipments
- Configure inventory notifications to meet your needs
- Improve procurement process efficiencies through purchase order reduction

### Vending

Manufacturers can reduce their manufacturing costs by maintaining inventory at optimal levels employing vending solutions from Hisco. We can increase employee productivity and alleviate the budgeting headaches associated with MRO costs. Hisco has partnered with SupplyPro, the industry's leading provider of point-of-use vending equipment, to deliver innovative processes and products that will lower Total Cost of Ownership (TCO).

## ***HiscoMex***

Hisco's Mexican subsidiary is a service Maquiladora dedicated to distributing products and providing value-added services for customers located in Mexico. Our 10 stocking locations throughout Mexico and the U.S. border area are licensed to import and store hazardous chemical and are equipped with cold storage facilities for warehousing temperature-sensitive materials.

## **ALL-SPEC**

All-Spec, a Hisco subsidiary, maintains a guaranteed inventory of selected adhesives, encapsulants, sealants and equipment. Their user friendly webstore displays real-time inventory and pricing for every item. All-Spec ships all orders from qualified customers for in-stock products the same day if orders are received by 3 p.m. EST. You can order from All-Spec today and have it on your workbench tomorrow!
