### **Hisco Receives Henkel Industrial Distributor Award for Tijuana, Mexico**

HOUSTON—Feb. 26, 2019— Hisco Inc., an employee-owned, specialty distribution company, has received an Industrial Distributor of the Year Award 2018 for its dedication and strong partnership with Henkel in promoting Loctite branded products in Tijuana.

Loctite representative Yemile Ojeda presented the award to Hisco's Lynn Gingery, Richard French and Carlos Elizondo in Tijuana Jan. 22.

"We're honored to be recognized for our commitment to customer care," said Gingery, Hisco vice president and zone manager for Mexico West. "An SAP Migration presented challenges, but 'fast, friendly service' means we work to avoid any product availability issues."

For more than 45 years, Hisco has delivered value to customers through quality products, process solutions and local inventory. Today, the international branch network includes 38 stocking locations in three countries: the United States, HiscoMex in Mexico and HiscoCan in Canada. Hisco's Precision Converting facilities provide value-added fabrication, and its Adhesive Materials Group provides an array of custom repackaging. Hisco also offers vendor-managed inventory programs and specialized warehousing for chemical management, logistics services and cold storage. Hisco's exclusive Documented Cost Savings (DCS) program has saved customers more than \$135 million to date. Its supplier base includes manufacturing giants Henkel, Alpha and 3M, to name a few.
